

3D PRINT BULK ORDER CATALOG

3D PRINTED PRODUCTS

Sourceduty sells larger orders of 3D printed products to small and big business customers. Bulk orders are 3D printed using the same high quality plastic and software settings as smaller orders. The minimum bulk order size is 25 items. All product prices are in Canadian dollars. Every Sourceduty product is designed, 3D printed, assembled, packed and shipped worldwide from Canada. Custom shipping rates are calculated for each order.
